## DESCRIPTION

The property comprises a single-story warehouse building, with offices to the first floor. The unit is constructed around sheet cladding to roadside and rear elevations. The roof is pitched and covered with lined and insulated metal decking, with translucent roof lights set throughout.

**Unit 1** is served by six full-height shutter doors, five of which are ramped-up from the service yard. Office and ancillary accommodation is at first floor level, with warehouse storage lying underneath. A programme of demolition and refurbishment is underway to create a larger service yard - see area marked in yellow below.

Clear eaves range from 4.7m on the underside to 5.7m at the pitch.
